Giving to Camp Lassen Projects

Buy a Brick Program for the Recognition Project

This Program has been designated for the Drinking Fountain and Recognition Center Project in front of the Main Lodge. All funds will go directly to the expenses of this project that will include the drinking fountain excavation and plumbing, grading, concrete work for the skirting and Scout Law Retaining Wall. Each Brick will be placed around the drinking fountain and skirting of the retaining wall of the Monument Area. Estimated cost - \$5000 for the fountains.

Each brick will have the Alumni Logo and the name of your choosing:

Alumni Member (check one)

4" x 8" Red Brick at \$ 75.00 ea.

One name on brick

I want to buy _____bricks at \$75.= \$_____

Name: _____

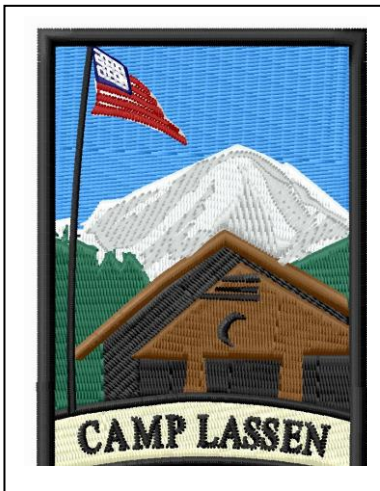

8" x 8" Red Brick at \$ 125.00 ea.

Two Names on Brick

I want to buy _____ bricks at \$125= \$_____

Name: _____

Name: _____

Camp Lassen Alumni

(or for non-members)

Supporting Camp Lassen

Your Name Here (1for \$75)

Your Name Here (2 for 125)

This logo will be in a black outline rendition

At the end of each season order will be placed and the brick will be placed as a part of the Spring Ordeal Weekend by the Order of the Arrow.

The Scout Law Recognition Wall –

Estimated cost \$25,000: Donations received \$5,500; Pledges received \$10,000.

“A concrete retaining wall, mounted with the Scout Law, will surround the monuments with a top point of a Fleur De lis pointing to the center of the lodge. The top of the Fleur De lis retaining wall will be capped with a California granite capstone that will act as a sitting bench and will allow our supporters to be remembered by engraved names on the Yosemite granite bench.” (Alumni Web Site)

I am interested in supporting this project, please contact me when the major fundraising starts: _____

Other Project Donations

I have included an additional donation for projects at Camp Lassen. I understand that my general donation may be used for any one of a number of approved projects; however, I would hope you could invest my contribution in the following areas:
